

INTEGRAL PRACTITIONER COACH PROGRAMME (IPCP)

REGISTER FOR JANUARY 2027

In a world of complex challenges, people need more than direction. They need a transformative inspiration. They need a way of being that integrates business excellence with deep human wisdom for practical, impactful action.

The Integral Practitioner Coach Certification (IPCP) from The Coaching Centre is your pathway. This is more than a global course; it's a profound synthesis of the world's best frameworks, grounded in the relational power of Ubuntu. We don't just teach coaching—we cultivate a new way of leading, partnering, and creating change.

WHY THIS CERTIFICATION IS YOUR STRATEGIC ADVANTAGE:

International Coaching Federation (ICF) Accredited Mastery: Achieve ICF Level 2 Professional Coach Certification, the global benchmark for coaching excellence.

From Theory to Embedded Practice: Through the Integral U Practitioner Coach course, we focus on developing your inner capacities for being and doing. Whether you aspire to be a coach, leader, professional, or simply wish to live into your full potential.

Academic Pathway: For those who seek it, a parallel path to a Master's qualification from the University of Wales Trinity St David is available.

FOSTER A DEEPER COACHING IMPACT THROUGH TRANSFORMATIVE LEARNING.

Move beyond single-model approaches. Our curriculum is a 23-year-strong tapestry weaving together integral Theory, Process U, Neuroscience, the Enneagram, and Leadership Maturity Theory into a coherent, powerful methodology.

A Profound Journey to Wholeness

The ICPC is a 15-month, International Coaching Federation (ICF) accredited, experiential and intentionally developmental, learning programme. It is designed for adult learners and leaders who want to integrate Integral Africa approaches into coaching, leadership, and transformative practice. Attending this programme gives you the opportunity to:

- Attend a **coaching programme developed over 21 years** through research, practice, and application.
- Engage with a **variety of coaching philosophies**, approaches and tools with a special focus on Integral-U theory
- Explore how an **Integral-U coaching approach** can drive high performance both professionally and personally
- Distinguish when and where a coaching approach is helpful and when to ethically refer clients
- Recognise the **key ICF coaching competencies** and how they impact the coaching experience
- Develop the capacity to **Do human better** in your life, career, and community.
- Discover how a coaching approach can create **cultural change and enhance wellbeing within systems** including personal relationships, organisations and communities.

How you will benefit

Personally

- Build self-awareness about your unconscious thinking and behaviour patterns
- Experience meaningful growth in your personal and professional relationships

Evolving into a Coach

- Experience the wisdom and benefits of using an Integral-U coaching approach
- Observe and experience how the spirit of Ubuntu deepens relationships and creates understanding
- Demonstrate the key ICF coaching competencies with depth.

Professionally

- Receive certification as an Integral-U Coach from an ICF Level 2 accredited programme
- Accumulate 60 coaching **hours in** preparation for your ICF ACC and/or PPC credential and more

Learning that transforms self, others, and systems. From the inside out....

Our world is rapidly changing. Old thinking and skills are becoming outdated, leaving managers, leaders and individuals with uncertainty about what to do next.

To thrive, it becomes critical to empower others to move forward by tapping into their potential even when the outcomes may not be guaranteed.

A coaching skillset becomes the critical skillset differentiating between managers, leaders and individuals who thrive versus those who experience life becoming increasingly difficult.
