Join the 2026 Integral Practitioner Coach® Certification Course

In a world of complex challenges, people need more than direction. They need a transformative inspiration. They need a way of being that integrates business excellence with deep human wisdom for practical, impactful action.

The Integral Practitioner Coach Certification (IPCP) from The Coaching Centre is your pathway. This is more than a global course; it's a profound synthesis of the world's best frameworks, grounded in the relational power of Ubuntu. We don't just teach coaching—we cultivate a new way of leading, partnering, and creating change.

Why This Certification is Your Strategic Advantage:

- **International Coaching Federation (ICF) Accredited Mastery:** Achieve ICF Level 2 Professional Coach Certification, the global benchmark for coaching excellence.
- **From Theory to Embodied Practice:** Through the Integral U Practitioner Coach course, we focus on developing your inner capacities for being and doing. Whether you aspire to be a coach, leader, professional, or simply wish to live into your full potential.
- **Academic Pathway:** For those who seek it, a parallel path to a Master's qualification from the University of Wales Trinity St David is available.

Move beyond single-model approaches. **Our curriculum is a 22-year-strong tapestry** weaving together Integral Theory, Process U, Neuroscience, the Enneagram, and Leadership Maturity Theory into a coherent, powerful methodology.

Your next step awaits. Let's journey together to go far and map for a changing world.
